

I SEE...

The Beach

- I see the bright blue ocean crashing against the rocks.
- I hear the pebbles crunching in the sand.
- I smell the salty water in the sea.
- I touch the sand whilst making a sandcastle
- I taste the melting ice cream, which is strawberry flavour.
- I feel the breeze running through my hair.
- I know what will happen tomorrow.

I See...

- I see a sun shining out of the sky
- I hear a person whisper in my ear
- I smell fresh air
- I touch a chair
- I taste fresh fruit
- I feel happy
- I know my mistakes.

Inside the Forest

- The big yellow moon shone onto the calm dark sea.
- The trees rocked from side to side in the wishing wind.
- The silent winter snow fell down from the sky.
- The ink black cloud flew over, to put out the last of the fire.

MY FAMILY

My Family

- My mum is the best mum,
- She's like a sensitive young woman that does all the house work and goes out on Friday night.
- My dad is the best dad.
- He takes me to dancing on Tuesdays and Wednesdays and does some housework.

My cat is the best cat.

He plays with my feet and likes feeding four times a day. He sleeps at supper and also snores a lot.

But my sister is cheeky and energetic.

At night she falls to sleep.

And snores.
